

MOT History

Make: Mitsubishi

Model: L200

Registration: DV66 LBG

Date of Registration: 30/09/2016

MOT Due Date: 29/09/2019

* All vehicles come with a minimum of 6 months valid MOT. If a vehicle has less than this at the point of sale then eCars247 will arrange a MOT prior to delivery. This will be done free of charge.

When will my Mitsubishi need an MOT?

The MOT test makes sure your car meets road safety and environmental standards.

Your car will be due an MOT on either:

- the day before the third anniversary of its registration
- the anniversary of its last MOT, if it's over 3 years old
