

## MOT History

**Make:** Honda

**Model:** HR-V 1.6 I-DTEC EX 5d 118 BHP

**Registration:** DC18LTJ

**Date of Registration:** 15/08/2018

**MOT Due Date:** 14/08/2021

\* All vehicles come with a minimum of 6 months valid MOT. If a vehicle has less than this at the point of sale then eCars247 will arrange a MOT prior to delivery. This will be done free of charge.

**HONDA**

## When will my Honda need an MOT?

The MOT test makes sure your car meets road safety and environmental standards.

Your car will be due an MOT on either:

- the day before the third anniversary of its registration
- the anniversary of its last MOT, if it's over 3 years old
