The MINI warranty guidelines

How long does Mini's warranty last?

Mini's new car warranty is for three years from the original registration date, with unlimited mileage.

What should I do if my car shows any defects within the warranty period?

Contact your local Mini Centre immediately to arrange for your car to be taken in and the defect inspected.

What could make my warranty invalid?

Mini recommends maintenance and repair work to your car is carried out by a Mini Service Partner using parts and accessory products approved by Mini. If a fault occurs due to unsuitable maintenance or repair work, this may not be covered under warranty.

What are the service requirements to keep my warranty valid?

Your car needs to be serviced within the manufacturers' technical guidelines. Recommended service intervals vary across models – please refer to your maintenance booklet for specific detail.
