Your Kia warranty guidelines

How long does Kia's warranty last?

Kia's new car warranty is for seven years from the original registration date or 100,000 miles, whichever is soonest.

What should I do if my car shows any defects within the warranty period?

Take your car, along with warranty information and service record booklet to an authorised Kia dealer immediately.

What could make my warranty invalid?

Misuse of the car (proper usage is described in the owner's manual).

Alteration, modification, tampering etc.

Improper maintenance and servicing or the use of fuel, oil, or lubricants other than those recommended in the owner's manual.

If the mileage has been altered or the actual mileage can't be readily determined.

What are the service requirements to keep my warranty valid?

Recommended service intervals vary across different models – please refer to your maintenance booklet for specific detail.

Make sure your maintenance record is updated with servicing details and receipts.
