

MOT History

Make: BMW

Model: 2 Series

Registration: NA68FWG

Date of Registration: 04/09/2018

MOT Due Date: 04/09/2021

* All vehicles come with a minimum of 6 months valid MOT. If a vehicle has less than this at the point of sale then we will arrange a MOT prior to delivery. This will be done free of charge.

When will my BMW need an MOT?

The MOT test makes sure your car meets road safety and environmental standards.

Your car will be due an MOT on either:

- the third anniversary of its registration
- the anniversary of its last MOT, if it's over 3 years old
