

MOT History

Make: BMW

Model: 6 Series 3.0 640i SE 2d AUTO 316 BHP

Registration: LG65ZVR

Date of Registration: 09/11/2015

MOT Due Date: 08/11/2019

* All vehicles come with a minimum of 6 months valid MOT. If a vehicle has less than this at the point of sale then eCars247 will arrange a MOT prior to delivery. This will be done free of charge.

When will my BMW need an MOT?

The MOT test makes sure your car meets road safety and environmental standards.

Your car will be due an MOT on either:

- the third anniversary of its registration
- the anniversary of its last MOT, if it's over 3 years old
