

## MOT History

**Make:** Volkswagen

**Model:** Polo 1.8 GTI DSG 5d AUTO 189 BHP

**Registration:** VN66 KDF

**Date of Registration:**

**MOT Due Date:** 02/11/2019

\* All vehicles come with a minimum of 6 months valid MOT. If a vehicle has less than this at the point of sale then eCars247 will arrange a MOT prior to delivery. This will be done free of charge.

## When will my Volkswagen need an MOT?

The MOT test makes sure your car meets road safety and environmental standards.

Your car will be due an MOT on either:

- the third anniversary of its registration
- the anniversary of its last MOT, if it's over 3 years old
