

## MOT History

**Make:** Audi

**Model:** A1 2.0 Sportback TDI Black Edition 5d 141 BHP

**Registration:** LX14VJP

**Date of Registration:** 01/03/2014

**MOT Due Date:** 28/02/2020

\* All vehicles come with a minimum of 6 months valid MOT. If a vehicle has less than this at the point of sale then eCars247 will arrange a MOT prior to delivery. This will be done free of charge.

## When will my Audi need an MOT?

The MOT test makes sure your car meets road safety and environmental standards.

Your car will be due an MOT on either:

- the day before the third anniversary of its registration
- the anniversary of its last MOT, if it's over 3 years old
