**Registration:** VN66 KDF

**Date of registration:** 03/11/2016

**Mileage:** 26,124

**Manufacturer's Warranty valid until:** 03/11/2019

## The Volkswagen warranty guidelines

**How long does Volkswagen's warranty last?**

Volkswagen's new car warranty is for three years from the original registration date or 60,000 miles, whichever is soonest. Includes three-year warranty against any manufacturing defects with the paintwork (from original registration date).

**What should I do if my car shows any defects within the warranty period?**

Report any defects as soon as discovered to a member of the Volkswagen Authorised Repairer network.

**What could make my warranty invalid?**

Any damage to or defect in the car caused by poor or insufficient servicing will not be covered by the warranty.

Damage or defects caused by improper use of the car, neglect or use of the car for motor sports activities.

Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring, from example, taking appropriate action in the event of warning lights appearing.

Components or equipment which were not part of the car at the point of original manufacture will not be covered by the warranty.

### **What are the service requirements to keep my warranty valid?**

Recommended service intervals vary across different models – please refer to your maintenance booklet for specific detail.

Make sure you get your service schedule booklet stamped by the business carrying out the work or detailed invoices supplied with date, mileage, plus specified parts, and fluids used.
